Miss Michigan Winter Sports Contest, Banquet and Ball Highlights Of Gala Weekend

Grayling Winter Sports, Inc., and the Crawford County Chamber of Commerce will hold the 36th Annual Winter Sports Carnival this coming weekend.

The queen selected will be Miss Michigan Winter Sports of 1961. She will be selected by judges and presented and crowned by John H. French, Jr., president of City National Bank of Detroit.

The queen will be crowned while seated on a throne carved from ice. As part of her reward for beauty, she'll be flown to Chicago for an all-expense-paid weekend. And she'll be eligible for the Miss Michigan contest later this year.

Festivities for Grayling's big weekend of the year will start Saturday morning, Feb. 11th. Candidates for queen will be photographed and scrutinized by judges and visitors.

On hand at the scene of her triumph last year will be Ann Louise Penbody, Miss Michigan Winter Sports of 1960. She will return for the weekend from the University of Colorado where she is a coed, says Robert Schulze, Carnival General.

"We're expecting about 40 entries for the contest," he says. "There are lots of incentives to enter, besides the free trip. The queen whoever the lucky girl is will be escorted to theatres in Chicago, and will appear on several television programs. That kind of exposure could lead her to Hollywood."

For the carnival weekend, Dave City's Associated Press Sports Editor for the state of Michigan, is master of ceremonies. Guest speaker at a banquet for the queen will be Reid Brasil, president of Leonard Refineries, Inc., of Alma.

Other official activities include a parade through Grayling's streets, a ball for the queen, and ski races for younger skiers.

"Visitors can use the State Park's 12 ski runs," Schulze says. "These are served by eight tows. We also have the world's largest and fastest toboggan run where you can barrel along at 120 miles an hour."

Also at the Winter Sports Park are snowshoe trails, coasting slides and bobsleds for rent for cross-country skiers. In addition, the skier is towed by a horse.

The carnival will be very well covered by radio, it has been announced as Robert "Bob" Reynolds, popular WJR sportscaster, will make his usual evening "Sports Scripts" radio broadcast live and direct from Grayling on Saturday evening at 8:15. Robert Dittmer, manager and sports director of WJGR, Houghton Lake

will make broadcasts from Grayling on both Saturday and Sunday while on Sunday, Walt Novak's popular outdoor radio program will emanate live from the winter sports park over a large radio network in northern and central Michigan.

Among the many distinguished guests that will attend the 36th Annual Carnival will be Michigan's Governor John B. Swainson who will be here on Sunday and will speak briefly at the winter sports park prior to the coronation ceremonies. Others are the Adjutant General of Michigan, Major General Ronald D. McDonald, Quartermaster General and assistant Adjutant General, Major General Carson R. Neffert, Division Artillery Commander, Brig. General Noble O. Moore, General McDonald and Neffert, both of Okemos, will be accompanied by their wives as will Gen. Moore whose home is in Albion. The officers and their wives will be among a panel from which the final judging group will be selected.

Early this week, the entry list of contestants vying for the title of Miss Michigan Winter Sports of 1961 had climbed to thirty-two with a possibility of a few more entries coming in during the week. New entries entering since last week are: Miss Sheridan Valley, Miss Bayside Walther League, Miss Mio and then all from Detroit; Miss Michigan Derby, Miss Downtown Detroit Summer Queen, Miss Outdoor Jazz Festival, Miss Roostertail, Miss Direct Mail, Miss Northwest Detroit, Miss United Foundations, Miss Alpena, Miss Hope College and Miss Wayne State University.

Prevention Of Serious Loss To Be A Major Goal

Hearing Tests To Be Provided For Crawford County Residents

District No. 1 Health Department announced today that hearing tests are being completed to provide a free hearing testing program for adult residents of this county. It is reported that the health department is working with the Michigan Association for Better Hearing to bring that association's mobile testing unit to the area. All residents over 18 are eligible for this free service.

"Hearing loss is one of the major health problems of the country affecting more than 12 million adults and another three million children. In terms of incidence, hearing problems constitute our second greatest health concern," says a spokesman.

"Approximately one person in ten has some degree of hearing impairment. In our county alone, we would expect that approximately 500 local residents have some degree of hearing defect ranging from slight loss to total deafness."

"EARLY DETECTION OF HEARING LOSS IS THE MOST IMPORTANT FACTOR IN PREVENTING SERIOUS HANDICAPPING DEAFNESS. Modern testing equipment makes it possible to detect a hearing loss in its early stages and allows preventive measures to be taken. Because hearing loss frequently has a gradual onset, many people are unaware of any impairment or fail to do anything about it until it reaches a handicapping degree. For this reason local residents are urged to avail themselves of the free hearing tests."

It was announced that the Michigan Association for Better Hearing, a Michigan United Fund Agency, will provide a mobile testing unit and a professional audiologist for the testing program. It was emphasized that this is to be a "screening" program, aimed at finding those people who have some degree of hearing loss. If a hearing loss is found, appropriate recommendations will be made.

The testing unit will be in Crawford County Feb. 9th through 11th, in Freeland, Feb. 9th and 10th, in Grayling on the 10th and 11th. The hours of the testing will be from 10 a.m. to 6 p.m. and the locations of the testing sites will be South of the Post Office in Freeland and at the Courthouse in Grayling.

East Jordan Red Devils Here Friday

Vikings Knocked Out Of Loop Lead By Boyne City Ramblers

The Grayling Vikings, slipped out of a first place tie in the Northern Class C Conference race by dropping a heartbreaking 44 to 43 decision to the Boyne City Ramblers at Lake Manelona last Friday night. The Vikings, who were still considered a distinct possibility to take the loop title.

Grayling's toughest two tests in the remaining four games are with East Jordan and Charlevoix both of which will be played here on the home floor while the Ramblers must meet tough Charlevoix and Manelona away from home.

This Friday, the Vikings will entertain the East Jordan Red Devils in a "must" game for Grayling. The Vikings can not afford to lose another if they have any ideas of the conference crown. East Jordan floors a strong midwest and Grayling will have to play their best brand of ball to take the contest.

Other conference action this coming Friday night will find Grayling at Manelona, Harbor Springs at Charlevoix and Boyne City at Pellston. Manelona, Charlevoix and Boyne City should be the winners.

Eagles Run Into Trouble

The Frederic Eagles, varsity, junior varsity, girls team and boys high all ran into trouble last week. They lost a total of five games while winning but one.

The week, the junior high and girls team will entertain their counterparts from Bellaire at the Frederic High gym on Wednesday night while the varsity and junior varsity will travel to Bellaire on Friday night.

Last week on Tuesday night, the varsity and junior varsity traveled to McBain to take on the McBain Christian College. The varsity took a 74 to 51 trimming and the junior varsity were defeated 40 to 30.

In the varsity contest, the Eagles trailed all the way. McBain was a sophomore, Brinks, who scored 33 points. Frederic coach Murel Fick calls him the most improved ball player he has seen all season. Murel scored 16 for Frederic with Gabriel adding 9, Smith 11, Wilson 8, Rouse 4 and Minkoff 3.

In the jayvee contest, the little Eagles were down by 9 points at halftime but came back to tie at 19 in the lead as the last period opened. They only scored 3 points in the final frame however.

On Wednesday night at Frederic, the junior high was defeated 43 to 34 but played their best game of the season. The girls team lost 36 to 18. Carol Mayer was high scorer for Frederic with 8 points.

On Friday night, the Frederic varsity bowed to Ellsworth 60 to 47. The Ellsworth Lancers threw a full court press on for the entire game. Frederic trailed by points at the end of the first frame and by but 2 at halftime. Shortly after intermission, they tied up the game but then fell apart. Smith sprained an ankle and was out for three quarters of the game. He is doubtful starter for this week's game. Murel hit for 24 points for Frederic with Redman getting 12, Gabriel 5, Pratt and Rouse 2 each and Smith and Wilson 1 each.

In the only epic victory of last week, the little Eagles downed the Ellsworth reserves 56 to 40 with Mike Harmer with 20 and Bob Barber with 18 leading the way.

Grayling Mail Route Extended 11 Miles

Grayling mail Route number one was extended another 11.4 miles starting last Friday. The extension was made west on M-72 from the corner of M-93 west of Grayling to accommodate 18 permanent residents and at least seven summer residents.

The extension had been originally planned to begin on January 21st but was delayed until last week. Several residents were high in their praise of Congressman Frank A. Cederberg who helped to get the extension of service through for the residents.

Kiwanis Club Notes

By Wesley LaGrow

The Monday evening meeting of the Kiwanis Club of Grayling was held at the Danford Hall and was a very successful one. The meeting was served to the club members by the Junior Ladies Aid of the Grayling Evangelical Lutheran Church.

The Queen's Ball this year is sponsored by the Kiwanis Club. Get tickets from any club member. Lots of Queens, good music, good time.

Lt. Governor Robert Gershenow of Cadillac was a special guest of the club. He outlined the aims and objectives for the clubs for 1961. This was done by means of slides and a talk.

Next meeting will be back at the Women's Club building. Don't forget the Queen's Ball this Saturday night.

Escapes Get 7 1/2 to 15

In a special term of Circuit Court held last Thursday evening, Circuit Judge Dennis O'Keefe passed sentence on two escapees from Camp LeVieville who had pleaded guilty in Circuit Court on January 29 to charges of armed robbery.

The pair, Eugene O'Connell, 30, of Kalamazoo and Billy G. Moore, 43, of Pontiac, were given terms of 7 1/2 to 15 years at Southern Michigan Prison at Jackson, by Judge O'Keefe. They were taken to Jackson on Monday by Sheriff Arthur Clough.

The two escaped from the camp after overpowering a guard and a warden. A former inmate later on M-55 west of Houghton Lake by the State Police.

Woman's Club

The Grayling Woman's Club met Monday night at the Clubhouse. The Grayling High School Glee Club, directed by Mrs. Roy Milne, presented the following numbers: "Shepherd's Tune," "All Hail the Day," "An' the Spirit of a Boat," and "Let There Be Song." Vicki McEvers accompanied the group.

Mrs. LeRoy Millikin, president, presided at the business meeting which followed. A flower planting committee was appointed to meet with the City Council on February 13, to discuss this year's planting.

The group will again furnish workers for the registration at Burns Christmas tree and red tape drive.

The Christmas Tree money was to be turned over to the Kiwanis Club for the annual joint Christmas project.

Mrs. LeRoy Hunter presented the slate for the election of officers. The following were elected for the coming year: President, Mrs. LeRoy Millikin; first vice-president, Mrs. C. R. Holcomb; second vice-president, Mrs. Glen Ebert; corresponding secretary, Mrs. Carl Johnson; treasurer, Mrs. Don Jensen.

Committee reports for the Winter Sports Queen's banquet were given by Mrs. LeRoy Hunter, chairwoman of the kitchen and Mrs. Tom Robertson in charge of the dining room.

Hostesses for the evening were Mrs. Ernest Norenberg, Mrs. Joe A. Valentine and red tape donors decorated the table.

Sportsmen Complete Plans For Bear Dinner, Feb. 18th

Work is being completed for the Bear Dinner to be held at the Sportsmen's Hall the evening of February 18th.

This will be a very special dinner. Those who have their tickets are going to long remember how tasty bear meat can be, and for those who prefer, ham will be on the menu.

The committee in charge of ticket sales reports that the event will be well attended. Also, they request that those wishing to partake of this special event, who have not as yet made reservations, please do so as soon as possible.

The sale of tickets will be limited to assure that the supply of bear meat can be and for those who prefer, ham will be on the menu.

Meeting Held For March Red Cross Drive

1961 Slogan "Good Things Happen When You Help"

A meeting for the purpose of organizing the March Red Cross Drive was held at the home of Mrs. C. G. Clippert last Wednesday.

A committee comprised of Mrs. C. G. Clippert, county chairman and drive chairman, Mrs. George Griffith, county vice-chairman, Mrs. Carl Richardson, acting secretary and Mrs. Etha Witcox, assistant drive chairman, is busy rounding up workers.

A kick-off luncheon for all workers is called for Thursday, February 16th, at 1:00 p.m. to be served by Women's Club members at their club house. Materials will be passed out to the volunteers at that time.

Good Things Happen when you help. That's the theme for the 36th Red Cross campaign for funds. The theme emphasizes in only six words the work of the Red Cross — humanity in action for the world over.

State Scientists Keep Eye On World-Wide Atom Bomb Testing

STATE OF MICHIGAN scientists keep a sort of long range eye on atom bomb testing throughout the world.

Their aim is to make sure surface waters in the Water Wonder land do not accumulate excessive amounts of radioactivity. Actually, the men of the Water Resources Commission who check the lakes and streams have no real connection with the testing of nuclear weapons.

But the number of atomic devices exploded around the world are

reflected in the Michigan reports.

Latest report from the commission showed only one-tenth the amount of radioactivity recorded in surface water during the latter part of 1959 was present during 1960.

Loring F. Oeming, chief engineer for the Water Resources Commission, said the lower levels of radioactivity seen in 1960 stemmed from the fact that there was no nuclear bomb testing since late 1958.

He said that during the five years that regular tests have been made, radioactivity levels have fluctuated in direct relation to the extent of atomic weapons testing by the United States and other countries of the world.

Even at their peak, radiation levels were well below recognized permissible concentrations, Oeming said.

The Water Resources Commission maintains 32 sampling stations with 13 of them located on the Great Lakes or connecting waters, he said. Fourteen municipal water supplies are also constantly checked.

Cities which have their water supplies watched are Benton Harbor, Grand Rapids, Charlevoix, Petoskey, Escanaba, Marquette, Alpena, Saginaw, Port Huron, Mt. Clemens, Detroit, Monroe, Flat Rock and Dundee.

All testing stations are at public water supply intakes, industrial water intakes or other strategic locations.

Plants and animals taken from the water at the Charlevoix and Monroe testing stations are checked further to determine how much radioactivity is absorbed, Oeming said.

Data which comes out of the monitoring program is used by federal, state and local governments in a variety of ways, and by private concerns, he said.

MICHIGAN SCHOOLS PROFIT from funds which winning gamblers fail to collect.

Under a 1951 law, pari-mutuel tickets bought by forgetful wagers on horses which run in the money are paid to the State Board of Escheats, if the holder of the ticket dies within the year after Sept. 1 of the year in which the ticket was purchased.

Though the total of money collected in this manner is small in comparison with annual budgets for state agencies as a whole, it usually amounts to several thousands of dollars.

All money escheated to the state eventually goes into the Primary School Interest Fund.

From there, it is evenly divided among the school districts on the basis of the number of school-age children (five to 19 years old) living in the district, whether they attend school or not.

State school aid payments to districts are reduced by the amount received by the district from the Primary Fund, however, so it is really the state's General Fund which profits most directly from the unashed racing bets. Still, the net effect is to make more money available for use by schools.

RABIES-INFECTED SKUNKS hit a new high in Michigan during 1960.

Forty-four out of 70 cases of rabies recorded by the State Animal Department were among the pungent smelling, black-and-white little animals that roam Michigan's woodlands.

Fourteen dogs, six cats, five

cattle and a bat also were found to be infected with the disease last year.

Even though the 70 cases reported last year were 16 more than were discovered during the previous year, the record was still less than 10 per cent of the all-time high incidence year for rabies, 1940.

Since that time, the Health Department said, a drive to have all domestic dogs vaccinated against the disease has paid off. Pets still need to be immunized, the department said, and Spring, when both domestic and wild animals start to move around more, is a good time to have it done.

Bits O' Talk

Mrs. Gene Rauch entertained some thirty-two members of her family in celebration of her husband's and Mrs. William Gildner's birthday on Sunday, January 29th, with a dinner party and visiting afterwards. Mr. and Mrs. Richard Gildner and family of Houghton Lake and Mr. and Mrs. Charles Avery of Grayling City were here from out-of-town.

Camp Superintendent and Mrs. Billy Kinkert were to have driven his aunt, Mrs. Roy Sindlinger, to Lansing the forepart of this week, where she will spend the rest of the winter with her daughter, Mrs. Dean Kridler and family.

Mr. and Mrs. Clyde Smith of Mancelona visited the Bud Smiths Sunday before last, and also the Bruce Smiths.

Mr. and Mrs. Clair Smith visited their son Bob and family in Standish the weekend before last. Remember, the Senior Class Car wash from 10 a. m. to 2 p. m. at the high school this Saturday.

his week throughout the 50 states some 11,000 editors of smaller daily, weekly and semi-weekly newspapers will lock up their forms and "go to press". Their forms will carry the only broadly circulated written word of the people and events, the problems and opinions that shape our lives in the community, the state and the nation. Their editorial pages provide the great forum of independent free expression in the world. The value of this in a country where majority opinion decides public policies with which we all must live is to be overestimated.

On the pages of these thousands of papers will run advertising that gives the spark to the engine of enterprise. Our tremendous transportation and marketing systems, capable of moving and displaying all nation's wares, would be of little use unless people have what products were available, at what cost, where they could be purchased, and in addition, were inspired by the desire to buy.

Advertising makes Main Street go in every city, town and village throughout the 50 states. The head of every family knows that the only way to find the right place for the quality merchandise desired is to compare the advertisements, whether the problem is making out the grocery list, buying a new house or trading in an old car.

Advertising supports the radio and television programs, the magazines and periodicals which provide information, news and entertainment and it makes independent newspapers possible. There would be no press were it not for advertising by the local merchants and industries who support the press but do not control it.

Costly Controls

Profits of many industries show declines in spite of higher gross sales and evidence is piling up that American business is having tough sledding in international markets. As the new Congress goes to work, legislation to raise the federal minimum wage is slated for early consideration.

The cost to the country of raising the minimum wage at this time is well described by a paper box manufacturer of St. Joseph, Michigan. "We believe this would be very detrimental to our industry and will cause more inflation and unemployment. When the cost of packaging as such as our industry makes reaches a certain point, customers turn to some other form of packaging which is less expensive and, as a consequence, we lose sales and in turn have to reduce our working forces. It is almost impossible to compete with foreign imports with our present wage structure and if the minimum is increased by 25 per cent, we are sure more unemployment and inflation will be the result."

Multiply this paper box manufacturer by tens of thousands and you have a fair picture of what such legislation could do — in dollars and cents costs, and

SOME MORE VALENTINES

hardships imposed on marginal workers.

There are longer range "costs" that are beyond calculation. These involve matters of principle such as whether the free market, free enterprise system can endure this kind of increasing centralized government control.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

February 10, 1938

Rains on Friday, Saturday and Sunday, making the winter park too wet for service, prompted local winter sports officials to order all snow trains cancelled. The Lansing crowd, however, was not to be halted and they told the train men that they had tickets and would make the trip in spite of weather conditions.

Rudy Harrison, the City of Grayling's contribution to the Golden Gloves at the Bay City meet, suffered a broken jaw during the match with Amos Bennett of Bay City Monday night. Although winning the decision his injury is so severe that it is doubtful if he will be able to do any fighting for several years. He was taken to Mercy Hospital in Bay City where it was found that it was necessary to apply several wire stitches. He is at the home of his parents and is getting along as well as may be expected.

The Grayling Merchants basketball team have been on a winning streak and last night took their seventh straight victory, when they beat Cadillac 38 to 16 at Roscommon, where they are entered in the tournament being played off there this week and which will end tomorrow night. Last week the Merchants won the championship in the tournament played at Houghton Lake by defeating Lake City in the finals by a score of 47 to 44.

The ladies and gentlemen of the Saturday Bridge club were entertained at a buffet supper at the home of Dr. and Mrs. C. C. Clappert Friday evening. Following the supper the sixteen guests played contract, with Mr. and Mrs. A. J. Joseph holding the winning scores. Mrs. Harry Comine was a guest of the club. Charles Wylie, Grayling senior student and manager of the Olivet College Book Store, received news yesterday that his entry in Garden City Publishing Company's national essay contest had won first prize. The contest is sponsored to uncover novel methods of marketing college books and of encouraging genuine interest in

books. Mr. Wylie's essay was selected because it "represented the most original thought on marketing problems for the book publisher," and because it "revealed a genuine appreciation of the need for appreciation of fine literature on the part of the students." The contest was open to college book stores all over the United States. About 4,000 essays were submitted. Wylie not only receives the prize money of twenty-five dollars, but also has the distinction of seeing his entry printed in the monthly trade magazine, "The College Store." Garden City will also read his essay into the minutes of the national college store convention to be held in Chicago in the spring. Both are worthy distinctions.

Mrs. Paul Loeffler of Lovells is spending some time in Detroit. Howard McCann and family of Detroit are enjoying a few days at their cabin near Lovells.

Clyde Root and wife have moved into the Arthur Pankow house. Mrs. Benjamin Pankow left on Wednesday on her return to her home in San Francisco, and was accompanied by her son Arthur and wife, the former having been quite ill for some time. The young man is going west to try and recuperate his health. They are making the trip by motor and will stop in Flint en route.

Earl J. Hewitt, employed by the National Re-Employment Service with offices in Grayling for the past two years, has been transferred to Cadillac, where he is in charge of four counties. Re-Employment Service for Crawford County is now being taken care of in the West Branch office.

Tuesday afternoon Mrs. Ebern Hanson entertained her Bridge club at a very lovely Valentine luncheon. Red and white carnations made a very pretty table decoration enhanced by red heart place cards. Miss Margrethe Bauman held the high score for bridge that followed the luncheon. The machine used by Emil Nied-

er in cutting ice broke through the ice Wednesday on School Section 1-10. The weather for several days had been more like April weather so there are places where the ice has gotten thin. It was, however, hauled to safety. Mrs. Harry Sorenson entertained the Bunko Club of which she is a member, Wednesday afternoon. In the games that were played Mrs. Paul Feldhauser and Mrs. Tracy Nelson held high scores and congratulations went to Mrs. Sorenson. The club will meet next week with Mrs. Paul Feldhauser.

An eleven pound son was born to Mr. and Mrs. Arthur Worden Sunday. Mother and son are getting along nicely at their home.

St. Mary's Altar Society gave a pleasant party Thursday evening and in the various games that were played the following held high scores, Mrs. Ernest Borchers, bridge; Mrs. Alfred Hanson and David Montour, pinocchio; Miss Margaret Kessler, five hundred and Mrs. Mose Woods for Pedro. The committee served lunch.

Mrs. Carl Sorenson is expecting her sister Mrs. A. B. Engler of Houston, Texas, today. Mrs. Engler has been visiting her son in Chicago.

Peter Rabbitt of Whitefish Point arrived Friday to spend until the forepart of March with his mother, Mrs. Reuben Babbitt. Mrs. Russell Robertson left on Thursday for St. Ignace to be gone for a couple of weeks, caring for her sister who is ill.

Mr. and Mrs. W. J. Heric are enjoying a two weeks visit from the latter's mother, Mrs. N. C. Nielsen of East Tawas. Mr. Nielsen accompanied her, leaving for Flint where he is employed.

Mrs. Fred Mutton of Detroit arrived Saturday to spend the remainder of the winter and is a guest of Mr. and Mrs. Horace Shaw at Lake Margaret. Mrs. Shaw returned the same day after being in Bay City for several weeks.

Brooks Epler and family have returned to their farm in Beaver Creek after being in Eckerman in the Upper Peninsula for some time. Mr. Epler was employed in a pulpwood camp there, but the snow was so deep that it was impossible to get into the woods to work.

Miss Gail Welsh is leaving tonight for Detroit, and on Friday night she will be in attendance at the U. of M. Junior Prom, where she is to be escorted by Jack "B" of Detroit, former.

ling. Also Miss Mary Gretchen Connolly, a student at the U. of M., will be among those attending the prom.

DeVere Dawson has returned home after having been gone since the early part of October. After visiting in Flint he was accompanied by friends on a trip south to Texas, Florida and other states. On his return Friday his cousin, Miss Ruth Olson of Grand Blanc and Miss Maxine Dillon of Caro accompanied him here and spent the weekend visiting at the Dawson home.

**BEBOW - BURNSIDE
WED JANUARY 14**

Kawkaulin Community Church was the setting for the marriage of Miss Emily Ann Bebow, daughter of Mrs. Emory Bebow of Grayling, and the late Mr. Bebow, to Lawrence Burnside, son of Mr. and Mrs. William E. Burnside of Bay City, at 4:30 in the afternoon on Saturday, January 14th. The Rev. Phillip W. Palmer officiated at the ceremony before some one hundred fifty guests. Mrs. June Burnside, sister-in-law of the bridegroom, was the soloist. Given in marriage by her brother, Jerry Bebow of St. Louis, the bride chose for her wedding a long-length gown of nylon and lace. The fitted bodice was fashioned with a scoop neckline and wrist-length sleeves over the full skirt, with full-length front and back panels of lace. A jeweled queen's crown held her veil of illusion and she carried pink roses, carnations and ivy in a cascade bouquet.

Her attendants were her sister, Mrs. Leads DuBois of Vassar, matron of honor, and Miss Karen Carlson of Grayling. They wore willow green satin ballerina-length dresses. White feathered bands with willow green veils completed their attire. They carried yellow and white carnation bouquets.

Miss Debbie Kay Burnside, the bridegroom's niece, selected a yellow floor-length frock. She carried white, yellow and willow green carnations and served as flower girl.

Donald Watson served as best man. He was assisted by Tom Kohla. Danny Middleton, the groom's nephew, was ring-bearer. The bride's mother chose a gown of pale blue lace with a cascade of red roses and white carnations. The bridegroom's mother wore a blue silk print. Her corsage was of pink roses and white carnations.

Following the wedding, a reception was held at the home of the groom's parents.

The bridal pair enjoyed a honeymoon trip to the northern part of the state, and are now making their home at 3037 Old Kawkaulin Road, in Bay City.

Bits O' Talk

Mrs. Stella Waite visited her son Ray and family in Lansing Saturday and Sunday.

A letter from Mrs. Hugh Rideout in Monterey, Calif., enclosed an article on Monterey sixth grade youngsters, complete with pictures preparing a Mexican meal as part of their studies about Mexico. Mrs. Rideout wanted us to know that Grayling school children were not the only ones to learn the cooking as well as the language of our Southern neighbors, referring to the Spanish meal cooked by the Grayling High school Spanish class last fall.

Mrs. Marion Hanson and daughter Karen were in Detroit over the weekend, visiting former Grayling residents, Mr. and Mrs. Edward Mayotte. Mr. and Mrs. Don Reynolds of Mt. Pleasant visited the Hansons on Thursday.

Rickey Fowler was 9 years old on Saturday. He invited ten of his friends to an afternoon of sledding at the Winter Sports Park, with his parents, the Jack Fowlers providing transportation. Afterwards they returned to the Fowler home, where an ample supply of hot chocolate, jello and birthday cake was consumed, with each boy receiving a favor. Rickey received some very nice birthday gifts.

Kenneth Schofield, David Lowe, Steve Smith and Bob Carlson attended the wedding reception for Don Schorff and the former Sue Jones at Oscoda on Saturday evening.

Jim Forbes went to Stratford, Ontario, Friday, to attend the funeral of his brother-in-law, George Green. He went on to Detroit to spend a few days before returning home.

Timmy Ferguson, son of the Donald Fergusons, spent the weekend in Harrison, visiting his grand parents, the Walter Knights.

Mr. and Mrs. Vernon Davis and son Howie of Grosse Pointe were guests of the Harold Walkers the weekend before last. They spent the time skiing at Oscego Ski Club. Howie Davis was the Walkers' guest again last weekend for more skiing.

The latest address for Charles Ward, who is now at Okinawa, is as follows: Lance Corporal Charles G. Ward, Jr., 1850247, US Marine Corps, C Co, 1st Bn, 3rd, 3rd Marine Div, Reinf. F.M.F., care of EPO San Francisco, Calif.

Weekend guests of Mrs. Maggie Levertson were her grandson Edwin Bancroft of Ferris Institute, Big Rapids and her brother Mr. and Mrs. Louis Lafayette of Port Huron.

**GOODHUE - HENDRICH
WED IN DETROIT**

Miss Carole Jean Goodhue, daughter of Mr. and Mrs. Harrison M. Goodhue of Birmingham and Grayling, and Walter Hendrich, Jr., son of Mr. and Mrs. Walter T. Hendrich of Birmingham, were united in marriage on Saturday, January 28th, at the Mayflower Congregational Church in Detroit. The double ring ceremony was performed by Dr. Alfred D. Gray in a setting of candlelight, at 7:30 in the evening. A reception at Devon Gables was held following the ceremony.

Given in marriage by her father, the bride chose an Empress style gown of ivory bouquet taffeta with scoop neckline, long fitted sleeves, and bouffant skirt ending in a chapel train. At her waist was a pleated cummerbund appliqued with reemboisiered Alencon lace motifs. Her veil of a silk illusion was held by a crown of orange blossoms. She carried a bouquet of Phalaenopsis orchids and Fuji mums.

Cynthia Conway of Birmingham was maid of honor. Bridesmaids were Diantha Lundin of White Plains, N. Y., Hester Lewis of Birmingham, and Mrs. Lawrence Webber of Royal Oak. They were attired in dresses of royal blue taffeta with scoop necklines, short sleeves and bell skirts, matching headpieces and shoes. They carried Fuji mums.

Mitchell Foster of Birmingham was best man. Seating the three hundred guests were David Schutte, Brooks Marshall, Jr., Thomas Halstead and James Mosby of Birmingham, Gerald Gustin of Bay City.

For her daughter's wedding, Mrs. Goodhue chose an American

Beauty dropped chiffon sheath, with matching accessories. Mrs. Hendrich wore French blue chiffon and matching accessories.

Following a honeymoon in Florida, the newlyweds are at home to their friends in Flint. The bride is a graduate of the University of Michigan, while her husband has served a six-months duty in the U. S. Army following his graduation from Michigan State University.

Pulpwood Use Grows

Mio—Pulpwood deliveries from eleven northeastern Michigan counties to Packaging Corporation of America's mill at Filer City rose by twenty-one per cent to an all-time high of 118,284 cords during 1960, according to Ivan Owen, the pulp and paperboard firm's Regional Woods Superintendent at Mio. This represented more than one-third of the 273,499 cords used at Filer City, a record figure. Owen said total wood use at Filer City had increased seven hundred per cent since 1950.

Counties contributing to the 118,284 cord total were: Oscoda (30,915-cords), Crawford (24,829), Roscommon (16,833), Montmorency (13,263), Alcona (8,154), Ogemaw (8,278), Presque Isle (4,333), Clare (2,956), Iosco (7,889), Gladwin (8,955) and Alpena (4,129).

The 1960 pulpwood crop from the eleven counties meant an economic boost of more than two million dollars to the area, according to Owen.

NEIGHBORHOOD DRIVING can dangerously increase formation of engine-crippling sludge and varnish. The super-additives in new Havoline Special 10W-30 Motor Oil prevent these formations. This new all-temperature oil actually *saves your engine* — keeps it running smoothly, powerfully, because it cleans as it lubricates. Try it next time!

CARD OF THANKS

We wish to take this means of expressing our appreciation for the kindness and sympathy of friends and neighbors, and to the Mom's Club for flowers, in the recent death of Mary Ann Smith. Mr. and Mrs. Raymond Brown and Stanley Langin

BITS O' TALK

Walter Skindley and a friend flew up from Plymouth on business Monday of last week, and stopped to visit the George Skindleys for a short while.
Dale Pettengill, of MSU, East Lansing, and Miss Jeanie Stanton of Perry, student at the U. of M. Ann Arbor, spent the weekend visiting his parents, Mr. and Mrs. Dale Pettengill, Sr.

Mr. and Mrs. Leo Jeambert, who are taking care of the Rasmussen tourist home, have had word from the Elmer Rasmussen that they arrived safely and without incident in Corona, Calif., and have made a few trips nearby to visit other Grayling folks who are living out there. They are thinking of trying for a reunion of former residents.

A. L. Roberts left Sunday on his quarterly inspection trip through the U. P. and Wisconsin, to be gone about three weeks.

Note is hereby given that a caucus will be held, Monday, February 20th at 8:00 p. m., at the Grayling Township Hall for the purpose of placing the names of township officers in nomination for the Township of Grayling, County of Crawford, State of Michigan. Robert Hayes, Township Clerk.

Jerry Barber and fiancée Miss Dorothy Bradley of Greenville spent the weekend before last visiting Mr. and Mrs. Roy Roper, Jr. Mr. and Mrs. Floyd SanCarter and children Karen, Terry and Wayne visited their daughter and husband, Mr. and Mrs. Bill Martin at Mr. and Mrs. Wednesday of last week. Bill and Susie were here to visit his mother, Mrs. William Martin, Monday and Tuesday of last week, and also the SanCarter.

Albert Schreiber came home from Mercy Hospital Tuesday of last week, and is feeling fine.

Mrs. Harold Rasmussen spent ten days in Owosso visiting Mr. and Mrs. Leola Mahood, following her son's recent marriage to the Mehlig's daughter Gloria. She returned home Tuesday of last week.

The Grayling Fire Department was called to the Don Rockelman home on Friday, January 27th, at 9:40 a. m., to put out a small blaze caused by a defective chimney. Very little damage resulted. Last week on Wednesday, February 1, the Department was called to one of the Jess Easterman cabins on Fulton street in which William Brown was living, the rear wall of which was ablaze when they arrived. The fire was put out quickly, but the building was so damaged that it was not habitable. The apparent cause was a defective oil heater. No estimate of damage had been made at this writing.

Mr. and Mrs. Robert Schaefer were dinner hosts to Mrs. Theresa Flaherty and Mrs. Boone of Traverse City, speakers at the friends of the library meeting held last week on Monday evening, prior to the meeting.
The Rev. Claire Olin, the Rev. Alvin Johnson and Paul Bradstreet of Frederic spent from Monday to Thursday of last week attending Founders' Week at the Moody Bible Institute in Chicago.

Mrs. Ernest Borchers, son Don and grandson Chris Solka drove to Boyne City Friday afternoon, to visit her sister and husband, Mr. and Mrs. George Granger, for the weekend, and to attend the Grayling-Boyne City basketball game Friday night.

Remember the Senior Class Car Wash from 10 a. m. to 2 p. m. at the high school this Saturday.

The Birthday Club met Tuesday of last week, January 31st, at the home of Mrs. Oscar Goss, with Mrs. Hurl Deckrow and Mrs. Lucille Roberts as co-hostesses for a dinner party honoring Mrs. John McMillen's and Mrs. Deckrow's birthdays. Each was presented with a gift. On the previous Thursday, January 26th, the Birthday Club, with Mrs. Gene Papendick and Mrs. Earl Wood as hostesses gave a dinner party at Mrs. Papendick's home with Mrs. Clayton Bristol and Mrs. William Jensen as the guests of honor. The hostess

presented each lady with a birthday remembrance.
Word from Dale Rohde, of his family, the Harry Rohdes, says he has completed his basic training at Fort Leonard Wood, Mo., and been transferred to Ft. Eustis, Va. While in basic, Dale was one of 8 in his platoon to receive an "expert rifleman" medal for scoring 83-out of 112 in rifle shooting. His address in Virginia, where he will be until next May, is as follows: Dale Rohde, NG27103314, G. P. 129, 7th Pl., Co. A, RFA Trans. Tng. Bn., Ft. Eustis, Va.

Mrs. K. K. Kitchen's name was omitted in the item about Mrs. Louie Whipple having given a farewell party in last week's paper. Mrs. Kitchen was co-hostess with Mrs. William Heric at the party. Mr. and Mrs. Bill Mosher left Saturday for Brownsville, Texas, to enjoy a three-week vacation.

CARD OF THANKS

We sincerely thank all those who made contributions to us following the fire which destroyed our home.
The John Canfields, Sr.

Teachers Club Hosts At Potluck Dinner

The Teachers Club of Grayling public schools was host at a 6:30 potluck dinner last Wednesday evening, February 1st, in the Home Economics room at the High School, for over fifty teachers, custodians, bus drivers and school board members and their wives and husbands. There was good food in abundance. Afterwards the "acknow-bridge" Bridge Diary.

Trudgeon.
The committee in charge of the dinner was Mr. Wesley Kumpula, Mrs. John Compton and Mrs. Robert Bovee.

CARD OF THANKS

We wish to express our thanks to the Sisters, nurses, Doctors, neighbors and friends and to Elder Newberry and Rev. Coty for their many kind deeds and helpfulness during our recent bereavement.
